

**CSLA Meeting Agenda
May 9, 2006**

New Business

1. New Officer Elections
2. Mr. Holloway's Party- June 10th, 2006
 - a. Matt Mayle is meeting with Mr. Holloway tomorrow, the date is still good, and it will probably be a potluck dinner.
3. Fundraising Ideas
 - a. Mr. O'Neal has a fundraising idea; Peabody landscape will work with us to install a blue stone patio at Mr. O'Neal's house. Peabody will provide the materials, and some labor, and the CSLA will provide the rest of the labor and receive the profit.
 - b. Mike LeGates spoke with the Stone Center and they are looking for someone to repair or replace a landscape. Mr. Ansley brought out the design, and went into a little more depth about what the project entails, and how the project went when the CSLA did the Stone Center in 1996
 - c. Emmy Morrow- someone with connections to Lima Company would like to have two designs done for soldiers that are still in Iraq.
 - d. Mr. Ansley has a fundraising idea: Aquascapes has a pond building exercise, and then you become a distributor of their products. Were on this campus could we put a pond? We could have a Friday/Saturday Educational Seminar where industry and students can build the pond, so students would be able to learn how to build a pond, and the campus would have a pond to enjoy.
4. Fun Stuff Ideas
 - a. Planks- it would be out of your pockets
 - b. Matt Mayle is having a b-day party on May 28, 2006, everyone is invited more info to come
 - c. For next year Mr. Ansley suggested that we go to the Cincinnati Flower Show, while taking the time to visit the Cincinnati Zoo and Botanical Gardens.
 - d. This Fall we should try to visit Longwood Gardens.
5. Announce New Officers

Old Business

1. Golf Outing-
 - a. We have gotten through the red-tape, and we will be able to tap into the development fund if necessary to satisfy the schools requirement to have the money upfront. Matt and Brian will be dividing up companies for groups of students to contact.
2. Arbor Day
 - a. Jacob and Crystal showed up to plant a tree for Arbor Day.
