

May 9, 2007  
CSLA Meeting

What an exciting meeting!! It was jam-packed with stuff. There are plenty of things to discuss on the CSLA forum. Let's begin the recap...

#### **OLD NEWS**

- o Jack Zimmerman has begun his battle with bladder cancer. He has had the initial surgery. The association discussed either collecting money for a gift or having students do a clean up day at his house. The vote was unanimous for the clean up day. A Saturday or Sunday in June will be chosen to complete this. Jack would like to remain as private as possible about his situation. Burt Vonderhae is teaching Jack's maintenance class for the remainder of spring quarter.
- o The spring party will be May 20<sup>th</sup> at Jamie Ebright's parents' house. The shindig will start at 3:00, the grilling will begin shortly thereafter and it will be wrapping up around 9:00. Everyone is welcome - spouses, kids, stalkers. It will be a potluck style cookout. Please bring food to share - the association will supply paper products and utensils. The house has plenty of outdoor space and there will be various yard games. I do not have the address yet, but the rumor is that it's in the Canal Winchester area.
- o Competition binders need to be returned! Please turn them into Bob or bring the books to the studio. Get them in before Bob meets you in a dark corner. (A quote directly from the meeting)
- o We received a letter about the SCD competition from the advisory board. It was filled with big words; we're pretty sure the gist was "we done good".
- o Parker Park had a community clean up day, but is asking for the association's help with doing some additional work. It would be a Saturday maintenance project, but the date is still TBD. We have also been asked to ID some trees and shrubs found at the site. This event will give everyone additional hands-on experience and some much needed practice with ID.

#### **NEW NEWS**

- o We now have one workstation in our possession. The computer will be used for the student library but we having a difficult time finding a location for it. We also have a "60 gig external memory thingy"...according to Matt.
- o A new STICK editor is needed. The editor needs to be a student that is involved in CSLA and attend the meetings. Segment / article writers are needed as well. I (Emmy) have

talked with Crystal about taking on this challenge. If you are interested in being the editor, or helping in the writing, please talk with Crystal.

- o Frannie Johnson presented the association with a fundraising opportunity. She has a client that needed 200+ bags of mulch laid. After discussing the details, the association decided not to proceed with this fundraiser.
- o Jamie Ebright is now a co-chair with Frannie on the spring trip to Cedar Point.
- o There is a job opportunity at CSCC. It is a full-time maintenance position on campus, 40 hours per week, benefits and tuition assistance are available. If you are interested, please see the HR department on campus or talk to Big Lou.
- o Kate Moushey recently went to Japan and now has many many many photos to share. A presentation will be held on May 15<sup>th</sup> (tentative date) at noon. The location is still to be determined. Feel free to bring a brown bag lunch to munch on during the presentation.
- o Columbus Coal and Lime Company is having a free demonstration on concrete products, dyes and techniques. The festivities are on the 17<sup>th</sup> and start at 8am. The address is 1150 Sullivant Ave, Col., 43223. (not too far from campus) Talk to Mike LeGates for more information.
- o Peter Poll Landscape Co. is looking for a landscape trainee. The company serves high-end residential customers primarily in German Village, Bexley and older suburbs. For additional details or information, contact Jane Forbes (CSCC student) at 614-406-6611. To apply, contact Pete Poll at 614-206-5258.

#### **BIG NEWS**

- o Elections - The votes are in! I would like to say it was a tight race, but considering we only had 7 people running for 6 positions.....

The month of May is the last month for the current officers. June will be a transition month for both sets of officers to work together. After that we are free!!!! Yeeehaaaaaaaaw! I mean, ummm, the new officers will take over. We had some great speeches and power point presentations. Just for the record, the new secretary's name is KATE, not Kittie, and her last name is pronounced Moooshaaaay.

Here are the 2007-2008 officers:

- President - Amber Haynes
- Vice Pres - Brian Keith
- Secretary - Kate Moushey
- Treasury - Beth Finnerty
- Advisory - Bob Moreen

- PLANET - Brian Nelson

#### **PHOTOS**

- o The meeting concluded with a photo presentation. It was pretty darn good, of course I may be a little biased. Dick is purchasing blank DVDs so that everyone who attended competition will receive a copy. There were close to 1000 photos collected during the trip, all of these photos will be combined and copied for everyone as well. If anyone else is interested in receiving a copy of the presentation or a copy of all the photos, please let me know so we can add you to the list.
